Dear Manager:

My name is Simon. I am applying for a graphic designer position.

I complete my Diploma of Graphic Design at Metropolitan South Institute of TAFE and worked as volunteer in The Pacific Advertisement Company for two months.

I come from China where I taught marketing and my class was awarded the Title of Youth Civilization.

I am modest and enjoy learning. I have good interpersonal skills, am flexible in regard to working hours and have a keen interest in graphic design work.

You will find more information about my education and work experience in the enclosed resume or visit my website <http://simondesign.xp3.biz> or click [HERE](#) to download my portfolio . Please do not hesitate to call me if you have any further questions. I look forward to meeting you. Thank you for considering me for this position.

**Yours truly
Simon Guo**
